BRIEF| PORTFOLIO | HOUDA BOUTAHLIL

THE PROJECT

CONTEXT
In the context of marketing's training, an individual project is proposed for staging the knowledge gained and productions in the form of a portfolio.

GOAL
Create a hybrid mobile application of presentation of my skills and projects carried out during training.

TARGET
Private companies specializing in the web or having an integrated marketing and/or communication service.

DEADLINES
The development of the project is done by iteration for 2 months.It starts Friday 6/01/2017. The first step requires a deliverable for the Monday 9/01/2017 at 9:00 am.
